INDEPENDENT ACCOUNTANT'S REVIEW REPORT

Board of Directors
Children's Rescue Initiative
Conneaut Lake, Pennsylvania

We have reviewed the accompanying financial statements of Children's Rescue Initiative (a nonprofit organization), which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of entity management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountants' Responsibility

Our responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusions.

We are required to be independent of Children's Rescue Initiative and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

Accountants' Conclusion

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

CHILDREN'S RESCUE INITIATIVE

NOTES TO THE FINANCIAL STATEMENTS

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Children's Rescue Initiative (the "Organization") is a non-profit organization whose mission it is to rescue, restore and raise up children, mostly overseas, who are enslaved and trafficked for labor and sex. Further, the Organization provides funding for foster care and education of rescued children.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles applicable to nonprofit organizations.

Basis of Presentation

Revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restriction to net assets without donor restrictions in the Statements of Activities.

Cash and Cash Equivalents

All liquid investments with a maturity of three months or less when purchased are considered cash equivalents for the purpose of the Statements of Cash Flows. The Organization maintains all cash in checking and savings accounts and had no cash equivalents at December 31, 2021 or 2020.

Inventory

Inventory is stated at the estimated cost. As of December 31, 2021 and 2020, inventory balance was \$2,000.

Contributed Services

Portions of the Organization's functions are conducted by unpaid volunteer officers and committees. Donated services are reported as contributions at their fair value if such services create or enhance non-financial assets or would have been purchased if not provided by contribution and which require specialized skills provided by individuals possessing such skills. For the years ended December 31, 2021 and 2020, \$0 and \$20,000, respectively, in services met the criteria for recognition as contributed services.

CHILDREN'S RESCUE INITIATIVE

NOTES TO THE FINANCIAL STATEMENTS

Income Taxes

The Organization is a Not-for-Profit Organization exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code with the exception of federal income tax arising from net income from unrelated business income.

Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statements of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefitted. The Organization uses a combination of allocating costs based on salaries and wages and direct identification of costs.

Fair Value of Financial Instruments

The carrying amounts of financial instruments, including cash, accounts payable, and accrued payroll and payroll taxes, approximate their fair market value due to the short-term maturities of those instruments.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Subsequent Events

Management has evaluated subsequent events through September 8, 2025 the date on which the financial statements were available to be issued.

NOTE B – CASH

The carrying amount of the Organization's deposits at December 31, 2021 with financial institutions was \$97,060, and the bank balance was \$100,323. At December 31, 2020, deposits with financial institutions were \$146,933 and the bank balance was \$147,025. The bank balances were fully insured at December 31, 2021 and 2020.
